GLEN BURNIE, MARYLAND MASONIC LODGE CELEBRATES CENTENNIAL

Community Grew Up Around Temple and Fraternity

GLEN BURNIE, MARYLAND, April 21, 2021 – For the Brothers of Glen Burnie Lodge, No. 213, May 2021 is a special month. This month the local Freemason Lodge will celebrate 100 years in a community that grew up around it.

“We’re proud of our active Lodge and strong fraternity,” said Worshipful Master Matt Frye. “We strive to live out the ideals of Freemasonry, which is largely misunderstood. Times change and the world changes, but the Fraternity lives forever.” ‘Worshipful Master’ is a term of respect for the elected head of the Lodge and is a reference is to an ancient meaning similar to “Your Honor.”

Glen Burnie Lodge’s Masonic Temple has been a hub of local activity since the Lodge opened in 1921 and Brothers from the Lodge have laid many cornerstones for important buildings in the local community including Glen Burnie United Methodist Church and Glen Burnie High School.

Recently, Glen Burnie Lodge made several improvements of their own...to the front of the Masonic Temple, including erecting a new sign and installing new front doors. These new additions will be dedicated in a public ceremony. Details follow.

Dedication Ceremony: Saturday, May 15, 2021 – 6pm
